

### **Summer 2010 Mission opportunities for Healthcare training students**

(Listed in order of application deadline)

#### **Special International Option! : The Summer Medical Institute Northwest Team**

**Project Location:** Papua, Indonesia

**Dates:** Thurs, July 29 through Sun, Aug 15, 2010

**Description:** The Summer Medical Institute NW seeks to expose medical & other healthcare students & recent grads to the joys and challenges of working with the underserved at home and abroad through medical service in Christ's name. We take teams each summer to serve in Papua, Indonesia. We will be taking a medical team of 10-12 to do village health clinics inland in remote tribal areas of the highlands. We will work alongside the local tribal church to provide medical care to people in very remote villages. Bible study, prayer, and worship experiences saturate our trip. Medical residents, medical students, and other health care students are welcome to apply. Preference is given to applicants from the Pacific NW. If you are interested in our sister dental trip to Papua from Aug 23-Sept 8th, please contact Dr Bob Bruechert at [bbruechert@newheights.org](mailto:bbruechert@newheights.org)

#### **Whole Person Care Preceptorship**

**Project Location:** Redlands, CA

**Dates:** Sat, June 12 - Wed, July 14, 2010

**Description:** Spend four weeks this summer in Southern California at the 10th annual Whole Person Care Preceptorship. Experienced Christian physicians and dentists will train you to integrate your faith into your patient care. You'll build great relationships with like-minded students from across the US as you grow deeper in your own walk with God and develop spiritual leadership skills - plus you will gain invaluable clinical and hospital experience as you learn to assess and address the spiritual needs of your patients. A medical/dental mission trip to Mexico is included. More, you'll experience the best of California - beach trips, mountain hikes, theme parks, pool parties, and more.

**Application:** [click here for Preceptorship brochure](#) to request an application.

**Application Deadline:** March 19, 2010.

**For more information:** For more information: Call 909-335-9877 or email [preceptorship10@gomets.org](mailto:preceptorship10@gomets.org).

**Special Note:** Can serve as an elective rotation or research project

#### **The Summer Medical Institute (SMI)**

**Project Location:** Harlingen, TX

**Dates:** Sat, July 3 to Sat, July 31, 2010

**Description:** The vision of the Summer Medical Institute (SMI) is to train healthcare providers to use their professions to honor God and grow in love for Him. SMI is a discipleship ministry in which God ministers to the team through intimate discipleship groups, teaching from Christian doctors, regular dependence on God through prayer, living out the Gospel in a close community, and loving our neighbor through service. If you are interested in a unique summer experience, using your spiritual and medical training to serve those who are medically underprivileged, be sure to apply for SMI 2010!
